Hello Errinrung Family

Boat Cruise

We have the amazing opportunity to go on a boat cruise with the Collingwood charters that is being held by long term care home . There are limited seats that will be available for us, that being said we will announce the sign up date and it will be first come first served basis. We encourage families to join us, proof of vaccination will be required and family members will have to purchase there ticket through the company after signing up with the manager. All residents tickets will paid for, families will need to arrange for transportation.

Group Activities

I'm so glad to hear the feedback regarding our activities. Since virtual exercise class was such a hit we are going to hold it every other Wednesday morning. We are also going to let it all out with our biweekly sing along. I'd like to also introduce our new monthly birthday celebration, when we celebrate everyone with a birthday during the current month.
